Payment of Fees for Denied and/or Non-Covered Services

I, _____, understand that some services may not be considered eligible benefits (e.g., services and/or supplies may be determined to not be medically necessary, non-covered or investigational) by my health insurance provider.

I understand that my health insurance coverage has certain restrictions and limitations, such as authorization requirements and non-covered services. Examples of these non-covered items include, but are not limited to, multiple visits in one day, court documentation, depositions, report writing, in person or phone conferences and/or meetings and supplies.

Litigation Limitation:

Due to the nature of the therapeutic process and the fact that it often involves making a full disclosure regarding confidential matters, it is agreed that should there be legal proceedings (such as, but not limited to divorce and custody disputes, injuries, lawsuits, etc.) neither you (client), your attorney, nor anyone else acting on your behalf will call on me to testify in court or at any other proceeding, nor will a disclosure of the therapy records be requested. I will not be asked to write a letter for court purposes regarding the nature of what is discussed in sessions. Should a brief written statement be required by Court, an affidavit form must be provided.

Examples of Standard Fees:

Court Appearance (must be paid 5 days PRIOR to court date) - $1,500.00

Depositions (must be paid5 days PRIOR to deposition date) - $150.00/per hour

Affidavit - $50.00/per letter

Multiple visits in one day - Your contracted insurance allowable rate for same service type

I agree to be financially responsible for any and all related charges if they are not covered by my health insurance.

Financial Policy

When you begin services with your therapist you will be placed in one of the following payment account categories:

1) If you choose not to use insurance benefits, or you do not have insurance benefits, you will be placed in a "private pay category." The fee for your sessions will be agreed upon prior to your first session and all payments are due at the time services are rendered.

2) If you would like to use your in-network or out-of-network insurance benefits and you **have met** your deductible, Therapeutic Impressions, LLC will be happy to file your insurance claim. You will be placed in an "insurance pay category." Any co-pays or coinsurance fees will be due at the time services are rendered.

3) If you would like to use in- or out-of-network insurance benefits but you **have not met** your deductible, you will be placed in a "private pay category" and you will be provided a Superbill. A Superbill is a statement used by members to file a claim to their insurance company for credit toward the deductible or for reimbursement of fees paid out of pocket. Please note: The deductible/reimbursement fee typically differs from the private pay fee and you may not be credited or reimbursed the full amount of the private pay fee. Once your deductible has been met you will be moved to an "insurance pay category."

4) If you choose to utilize Employee Assistance Program (EAP) benefits, you will be placed in an "EAP category." Your EAP will be billed for all session fees. It is your responsibility to ensure that your therapist has your EAP company information, authorization number, and how many sessions are authorized. In the event that the EAP refuses payment, you will then be placed in a "private pay or insurance pay category" and you will be responsible for any payments owed to the therapist.

Please Note:

- Therapeutic Impressions counseling services requires a 24 hour notice if you cannot make your appointment time. A $75 cancellation/no show fee will apply if you do not provide 24 hour notice.
- If you request that an invoice of your services be sent to you via email, you are agreeing that you understand that email may not be a secure correspondence and you do not hold Therapeutic Impressions, LLC responsible for any breach of information through your email account.
- Copays and other session fees may be paid with money order, cash, check, or credit card. A $25 fee may be charged for any returned checks.

Social Media Policies

Please be advised our counselors do not accept "friend" or contact requests from current or former patients on any social/professional networking site (Facebook, LinkedIn, Twitter, Instagram, etc.). These sorts of connections may compromise your confidentiality and our respective privacy. These connections also may blur the boundaries of our therapeutic relationship and potentially have unforeseen negative consequences for you as my patient.

Non-Recording Agreement

Successful therapy depends on building a relationship of trust, good faith, and openness between clients and therapists. Often audio or video recording can inhibit candor and introspection in therapy. Covert recording is a direct violation of trust and good faith to all the other persons in the room.

In addition, recordings made and taken home by clients sometimes fall into unintended hands through loss, random or targeted theft, or action by police, court or governmental agency. Such loss could compromise or nullify your legal expectation of confidentiality in the extremely sensitive personal or interpersonal matters that may have been discussed. Courts may not give your own recordings all the legal confidentiality they give to a therapist's office notes and may find them self-serving. Client recordings can more easily end up becoming an issue in conflicts such as divorce, child custody, or other legal cases or be used by agencies of government. A client who makes a recording solely for personal use or to use against a partner may later be surprised to find the recording being used against him- or herself instead. And once an unfavorable recording exists, its deletion can become legally punishable if a subpoena is issued for it. Additionally, most users of recording technology lack the technological tools and knowledge required to delete a recording in a way that makes it unrecoverable and unhackable.

Factors like these undermine the therapeutic process and the building or rebuilding of trust that takes place between partners in session and between the clients and therapists.

For these reasons and others like them, Therapeutic Impressions, LLC maintains a strict policy on recording.

Therefore, the client signing below agrees that:

1. Recording may only take place with the knowledge and explicit consent of ALL (not just one) clients, therapists, and other persons present during a session or other interaction, whether face-to-face or taking place by live textual, audio, or video link.

2. Consent for each recording must take the form of dated written signatures from all persons on a paper form available for that purpose, with a copy to each person recorded. Additionally, the recording itself must include the live consent of all persons present, with such consent stated at the start of the recording or when they join a session or interaction already in progress.

Therapists at Therapeutic Impressions, LLC will only consent to recording of a session for exceptional reasons and only after the drawbacks and risks have been discussed and the benefit clearly outweighs them.

Violation of this policy by covert recording or non-conformance with this agreement will lead to termination of therapy.

I acknowledge that I have read and understood this policy, accept it, and pledge to uphold it.
